In safeguarding children, More Education is committed to the principles of the Hampshire County Council Safeguarding guidance. <https://www.hants.gov.uk/educationandlearning/safeguardingchildren/guidance?filter=.Local-guidance>

### Legal Framework:

This policy has been drawn up on the basis of legislation, policy and guidance that seeks to protect children in England. A summary of the key legislation is available from [nspcc.org.uk/learning](https://www.nspcc.org.uk/learning).

More Education has in place arrangements that reflect the importance of safeguarding and promoting the welfare of children and young people as well as vulnerable adults.

### **The Prevent duty**

Some organisations in England, Scotland and Wales have a duty, as a specified authority under section 26 of the Counterterrorism and Security Act 2015, to identify vulnerable children and young people and prevent them from being drawn into terrorism. This is known as the Prevent duty. These organisations include:

- Schools
- Registered childcare providers
- Local authorities
- Police
- Prisons and probation services
- NHS trusts and foundations.
- Other organisations may also have Prevent duties if they perform delegated local authority functions.

Children can be exposed to different views and receive information from various sources. Some of these views may be considered radical or extreme.

**Radicalisation** is the process through which a person comes to support or be involved in extremist ideologies. It can result in a person becoming drawn into terrorism and is in itself a form of harm.

**Extremism** is vocal or active opposition to fundamental British values, including democracy, the rule of law, individual liberty and mutual respect and tolerance of different faiths and beliefs.

### **Training and Awareness:**

More Education will ensure an appropriate level of safeguarding training is available to its Trustees, Employees, Volunteers and any relevant persons linked to the organisation who requires it (e.g. contractors).

- Understand how to report a safeguarding Alert.
- Understand dignity and respect when working with children.
- Have knowledge of the Safeguarding Children Policy.

Similarly, employees and volunteers may encounter concerns about the safety and wellbeing of an adult at risk of abuse. For more information about adults safeguarding, refer to More Education Adults Safeguarding Policy.

### **Confidentiality and Information Sharing:**

More Education expects all employees, volunteers and trustees to maintain confidentiality. Information will only be shared in line with the General Data Protection Regulations (GDPR) and Data Protection.

However, information should be shared with the Local Authority if a child is deemed to be at risk of harm or **contact the police if they are in immediate danger, or a crime has been committed**. For further guidance on information sharing and safeguarding see (GDPR Policy).
